

C-Matt™ Medical Cart and Rack Covers

Casco Cart Covers serve as additional protection to carts of varying sizes and uses by providing a barrier that protects cart contents from external hazards and contamination.

Casco Cart Covers come in 33 different sizes and a variety of colors, closures, and fabrics, making them convenient and easy to apply to your industrial facilities' and/or customers' ever evolving needs. Please contact our office or local sales representative to discuss your various cart cover needs, and which one of our covers best meets them. Additional variations are available upon request and consultation.
