

Casco Bunk Mattress

The Casco Bunk Mattress is made with antimicrobial medical grade foam and fabrics (tri-laminate vinyl; coated nylon) that provide a sleeping surface that is hypoallergenic, easy to clean, stain resistant, and durable. Both mattresses are head-to-toe reversible, with the vinyl being flippable, as well, helping to lengthen the life of the product. The mattress is available in two sizes (75"; 80") and two thicknesses (8"; 10") to provide superior comfort on all standard bunk bed frames. This product is CAL 129 compliant.

Feature	Advantage	Benefit
(Nylon) Multi-layered foam core	Comfort	Better rest for top performance on the job
(Vinyl) High density foam core	Comfort	Better rest for top performance on the job
Anti-microbial	Protection from all micro-organisms	Helps prevent illness; promotes health
(Vinyl) Sealed	Protects foam core from fluids	Promotes longer mattress life.
(Vinyl) Bedbug Proof Vents	Helps mattress lay flat while preventing bedbugs	Promotes comfort
(Nylon) Sewn, with Waterfall Zipper	Protects foam core from fluids	Promotes longer mattress life.
(Nylon) Clamshell Cover	Greater ease of cleaning; replacement covers available	Promotes longer mattress life.
