UPC	**00815073028307**

Testimonial

"I currently work in the O/R and Pac-U departments at my hospital. I tested the Casco Booties during my 12 hour shift in both departments, during which they performed greatly, and I especially loved both the fit and the gripping action on the floor surfaces. I would recommend them to any medical staff member to wear in their profession. They are more comfortable than anything I have ever worn in the field."

- Anitra N., RN

Washing Instructions:

Wash separately or with like colors in warm or cold water (not hot) in a normal spin cycle. Dry with low temperature or air dry.
